

EFX® 863

Experience Series®

ELLIPTICAL

Product Highlights

The EFX® 863 with Converging CrossRamp® combines essential reliability and ease of use with a natural, low-impact stride to add value to your facility. Design enhancements ensure easy cleaning and maintenance for you, while the unique adjustable Converging CrossRamp® technology and fixed handlebars deliver a comfortable lower body workout for your exercisers.

Product Features

1. Handlebars

Fixed handlebars allow exercisers to focus on lower body workouts at higher resistance levels or challenge muscle stabilisers during hands-free training.

2. P62 Console

The P62 console features personalised viewing and the remarkable clarity of TV and internet options that exercisers crave, all in a 10" screen. With the ability to mark selections as "favourite" for the future, exercisers can customise their workout experience based on what is important to them.

3. Converging CrossRamp®

Patented converging footpath design and incline adjustments between 10 and 35 degrees, along with 20 levels of resistance, give exercisers a challenging workout with a more natural feeling stride.

4. Covered Rear Drive Housing

Experience easy maintenance with the covered ramp and rear drive housing that enable quick access for cleaning.

5. Active Status Light

Alerts staff at a glance when the EFX needs maintenance or service.

Refined colourways with dark Tungsten covers and two frame colour options, Black Pearl and Storm Grey.

Black Pearl

Storm Grey
