Items that receive additional warranty coverage through the extended warranty, dependent on the offering purchased.

* For all 600 Line cardio products, including treadmills manufactured after 16 July 2021, the mechanical and electrical parts warranty in the US and Canada is limited to three years, and limited to two years for all other countries.

Post-warranty support for discontinued products may be available for up to seven years beyond the last date of manufacture, subject to product, part, and/or component availability.

Always consult the Limited Warranty Statement that is shipped with your product documentation for specific coverage terms and conditions of your warranty. Please contact your local Precor office or Precor Authorised Distributor for extended warranty details pertaining to your region.
