

HOME BENCH

Product Features

1. Easy-To-Use Adjustments

The back-pad has six-different adjustments to expand your exercise options.

2. Pad Design

The pad design enhances exerciser stability while allowing for unencumbered range of motion.

3. Optimally Positioned Bench Height

The ergonomic bench height design helps you stabilize the lower back, increasing core support and providing greater comfort during lifts.

4. Integrated Transport Wheels

The front handle and rear wheels make the bench easily movable around your space.

5. Frame

Built strong. The steel frame is electrostatically power-coated for long-lasting, durable finish.
