

2 Tier, 10 Pair Dumbbell Rack

DBR0812

The space-efficient Discovery Strength 2 Tier, 10 Pair Dumbbell Rack provides easy access storage for dumbbells, with an optimal tier design that allows for easy loading and unloading of weights.

Engineered for biomechanical precision and built to withstand high-volume use, Discovery Benches and Racks provide a robust solution for strength training environments. Each piece combines intelligent design with functional durability to empower exercisers of all levels to train with confidence.

2 Tier, 10 Pair Dumbbell Rack III

Product features

FUNCTIONAL STORAGE

The Dumbbell Rack provides space-efficient storage for most commercially available round-head-fixed, pro-style dumbbells.

UNIQUE SADDLE DESIGN

A unique saddle design eliminates any hard metal edges that can scrape an exerciser's knuckles when loading weights and makes it easier to keep the products clean.

SIDE-BY-SIDE POSITIONING

The product design allows for seamless side-by-side positioning of multiple Dumbbell Racks, adding aesthetic appeal and increased functionality to your facility.
