

# Bumper Storage Tree

DBR0816

An essential addition to any facility's free weight area, the Discovery Strength Bumper Storage Tree offers maximum storage efficiency for weight plates while minimizing floor space usage. With dedicated storage for barbells, this feature helps keep your strength space clutter-free by lifting equipment off the floor and within easy reach.

Engineered for biomechanical precision and built to withstand high-volume use, Discovery Benches and Racks offer a robust solution for strength training environments. Each piece combines intelligent design with functional durability to empower exercisers of all levels to train with confidence.
