

# Handle Rack

DBR0818

The heavy-duty Discovery™ Strength Handle Rack accommodates three fixed barbells, various sizes of cable handle attachments and additional accessory items.

Engineered for biomechanical precision and built to withstand high-volume use, Discovery Benches and Racks provide a robust solution for strength training environments. Each piece combines intelligent design with functional durability to empower exercisers of all levels to train with confidence.

## Product features

### BAR CATCHES AND HANDLE HOOKS

The three large bar catches accommodate three fixed barbells, and the six-plated handle hooks provide storage for a wide variety of handle accessories.

### INTEGRATED FLAT TRAY STORAGE

The large, flat tray with a rubberised mat provides easy-to-access storage for multiple items.

### WEAR GUARDS

High-impact, polyurethane wear guards help protect the rack and bars from metal-on-metal contact and are segmented for easy replacement.
