## Product Features

### THIGH PAD ADJUSTMENT

The thigh pad is easily adjustable and telescopes to accommodate a wide range of exercisers.

### FALL-AWAY CATCH

The fall-away catch quickly releases when the exerciser begins the workout. When the exerciser is finished, they simply place the catch back in place and lower the carriage, allowing for an easy exit and no sudden dropping of the weight.

### FOOTPLATE

The textured, powder-coated footplate provides a highly durable and secure surface for the exerciser to rest their feet on during the workout.

### INSTRUCTIONAL PLACARD

Easy-to-understand, large, text-free illustrations demonstrate correct form at a glance and a QR code links to a helpful 30-second instructional video.
