

RBK 665

Experience Series®

RECUMBENT BIKE

Product features

1. P62 console

The P62 console features a personalised viewing experience with remarkable clarity for TV, and when networked, Internet options that exercisers crave, all in a 10 in./25.4 cm screen. With the ability to “favourite” selections for the future, exercisers can customise their workout experience based on what’s important to them.

2. Step-through design

Designed for easy entry, the recumbent bike has a step-through design (14 in./36 cm wide) with a low step-over height (4 in./10 cm).

3. Air-flex seat back

The custom-designed air-flex seat features a ventilated panel and unique suspension system for a cool, cushioned ride.

4. Seat adjustment

The simple seat adjustment allows the exerciser to change the position of the seat with one hand, either on or off the bike.

5. Ease of maintenance

The easy-to-remove shrouds ensure quick access to the belt-drive system for maintenance and servicing without removing the pedals or crank arms.

6. Pedals

The extra-wide pedals comfortably accommodate feet of all sizes and feature integrated, adjustable straps to ensure proper pedalling form.

Black Pearl

Refined colorways with dark Tungsten covers and two frame color options, Black Pearl and Storm Grey.

Storm Grey
