

CARDIO

Recumbent Bike

RBK 835

Product Highlights

The RBK 835 Recumbent Bike combines essential reliability and ease of use, with smooth pedalling and biomechanically correct geometry. The step-through design appeals to a wide range of exercisers of all ages, while the simple seat adjustment allows the exerciser to change the position of the seat with one hand, either on or off the bike. A ventilated Airflex seat provides exceptional comfort.

Product features

P31 CONSOLE

A LED console that works harder for you, your exercisers and your servicers. Exercisers will appreciate the well-placed resistance controls, as well as accessible workout options. Supercharge your servicers' efficiency by providing detailed equipment status information, reducing downtime on your fitness floor.

STEP-THROUGH DESIGN

Designed for easy entry, the recumbent bike has a step-through design (36 cm wide) with a low step-over height (10 cm).

ULTRA-COMFORTABLE AIR FLEX SEAT

The custom-designed air flex seat features a ventilated panel and unique suspension system for a cool, cushioned ride.

SEAT ADJUSTMENT

The simple seat adjustment allows the exerciser to change the position of the seat with one hand, either on or off the bike.

EASE OF MAINTENANCE

The easily removable shroud allows quick access to the belt-drive system for maintenance and servicing without removing the pedals or crank.

DUAL-SIDED PEDALS

The dual-sided pedals enable the exerciser to utilise the pedals with or without the integrated straps. The extra wide pedals comfortably accommodate feet of all sizes to encourage proper pedalling form.

Specifications

Dimensions (L x W x H): 170 x 58 x 136 cm
