

RESOLUTE™ STRENGTH SELECTORISED

Inner / Outer Thigh

RSL0626

Make your pin-selected strength equipment purchase with confidence – choose the Resolute™ Strength line from Precor. It delivers on what matters most: your investment will withstand the test of time.

The Resolute Strength Inner/Outer Thigh machine delivers two essential movements that target adductors and abductors in one easy-to-adjust, space-efficient design. Exercisers face the fully shrouded weight stack for privacy, while the intuitive and adjustable start position makes entry and exit easy.

Inner / Outer Thigh

Product features

TWO EXERCISES, ONE MACHINE

With one simple adjustment, the exerciser can easily switch between adductor- and abductor-focused movements. The unique ratchet adjustment allows exercisers to set or change the start position once they are seated.

DESIGNED TO GO THE DISTANCE

Sealed bearings in all pivot points, oversized steel tubing and chrome-plated adjustment plates make for quiet, durable operation for years to come.

FOCUSED ON THE EXPERIENCE

The rotating thigh pads pivot to make entry and exit simple for all exercisers. Stable foot bars reinforce lower-body positioning, while the slightly reclined seat back provides stabilisation and support during exercises.

Specifications

Dimensions (L x W x H): 71 x 30 x 58 in / 180 x 76 x 148 cm

Weight stack tower height: 148 cm
