

## CARDIO

# Treadmill

## TRM 581

### Product highlights

The TRM 581 delivers Precor's signature reliability and natural running feel in a compact, space-saving design. Ideal for lighter-use facilities, it combines durable construction with low-maintenance operation for smooth, quiet performance. Exercisers enjoy the club-like workout experience they expect, while operators appreciate the dependable uptime.

### Product features

#### P84 TOUCHSCREEN CONSOLE

The P84 console features a brilliant 16-inch touchscreen that combines performance, entertainment and workout variety. Exercisers can enjoy seamless wireless casting that provides access to thousands of third-party fitness and media apps. They can also stream content through fully integrated Netflix and YouTube apps – putting the content they want right at their fingertips.

#### RUN NATURALLY, LAND SOFTLY

Precor's patented shock absorption systems – Integrated Footplant Technology™ and Ground Effects® Impact Control – deliver a natural running experience while minimising joint stress. Paired with a spacious running surface, over-moulded handlebars and hand sensor heart rate technology, the treadmill provides exercisers with a smooth, lower-impact workout and a gym-like experience.

#### COMMERCIAL-GRADE DRIVE AND LIFT MOTOR

Built with commercial-grade components and thoughtfully designed to exceed Precor's rigorous testing standards. Designed for lighter-use facilities like multi-family housing, corporate wellness centres and hotels, it ensures reliable performance, dependable uptime and minimal maintenance.
