TRM 661
Experience Series®
TREADMILL

Product Features

1. P62 Console
The P62 console features personalised viewing and the remarkable clarity of TV and internet options that exercisers crave, all in a 10 in / 25.4 cm screen. With the ability to "favourite" selections for the future use, exercisers can customise their workout experience based on what is important to them.

2. Commercial-Grade Drive and Lift Motor
The TRM 661 is equipped with a commercial-grade 3 HP high-efficiency AC-motor drive (4.3 HP peak) that enhances performance, efficiency, and reliability to deliver a treadmill that is ideal for fitness facilities located in multi-family housing complexes, corporations, small municipal service organisations, and many hospitality venues.

3. Integrated Footplant Technology™
Recognises the exerciser's natural foot speeds and matches every stride for an ultra-smooth feel that enhances their workout experience.

4. Ground Effects® Impact Control System
Our patented GFX system combines ideal cushioning, support, and stability for exercisers. Precor decks are designed to provide more absorption in the front where the exerciser's feet hit the belt and added rigidity at the back for a firm push-off.

Storm Grey

Refined colourways with dark Tungsten covers and two frame colour options, Black Pearl and Storm Grey.

Black Pearl

Specifications

Dimensions (L x W x H): 83 x 35 x 62 in / 211 x 89 x 157.5 cm
