Treadmill

TRM 681

Product features

P84 TOUCHSCREEN CONSOLE

The P84 console offers a brilliant, 16-inch HD touchscreen that provides the best blend of performance, fitness and entertainment that your exercisers expect. It's designed to deliver a best-in-class content suite, with engaging workouts, wireless casting with access to thousands of third-party workout and media apps, and integrated Pluto TV, so that exercisers always have the content they want, right at their fingertips.

COMMERCIAL-GRADE DRIVE AND LIFT MOTOR

The TRM 681 is equipped with a commercial-grade 3 HP high-efficiency AC-motor drive (4.3 HP peak) that enhances performance, efficiency and reliability to deliver a treadmill that is ideal for dues-paying commercial fitness facilities as well as hospitality venues, multi-family housing complexes, corporations and municipal service organisations.

INTEGRATED FOOTPLANT TECHNOLOGY™

Recognises the exerciser's natural foot speed and matches every stride for an ultra-smooth feel that enhances their workout experience.

GROUND EFFECTS® IMPACT CONTROL SYSTEM

Our patented system combines ideal cushioning, support and stability for exercisers. Precor decks are designed to provide more absorption in the front where the exerciser's feet hit the belt and added rigidity at the back for a firm push-off.

Black Pearl
