

CARDIO

Upright Bike

UBK 685

Product Highlights

The AMT 835 with Open Stride™ is the only piece of variable-stride cardio equipment with adjustable step height, allowing exercisers to train in a variety of stride paths, including running, jogging and stepping. With one piece of equipment that creates an array of movement patterns, you can maximise valuable floor space and help exercisers to stay engaged in their workouts. The AMT combines essential reliability and ease of use with smooth, flowing and precise motion to add value to your facility.

Product features

P84 TOUCHSCREEN CONSOLE

The P84 console features a brilliant 16-inch touchscreen that combines performance, entertainment and workout variety. Exercisers can enjoy seamless wireless casting that provides access to thousands of third-party fitness and media apps. They can also stream content through fully integrated PlutoTV, Netflix and YouTube apps – putting the content they want right at their fingertips.

OVER-MOULDED HANDLEBARS

The over-moulded style adds comfort and durability while offering dual heart rate contacts and three ergonomic riding positions: upright, cruising and road.

SEAT ADJUSTMENT AND IMPROVED SADDLE DESIGN

The intuitive pop-pin seat adjustment allows users to easily change seat height.

PEDALS

The extra wide pedals comfortably accommodate feet of all sizes and feature integrated, adjustable straps to ensure proper pedalling form.
