Product Features

1. P62 Console

The P62 console offers personalised viewing and the remarkable clarity of TV that exercisers crave, all in a 25.4-cm/10-in screen. With the ability to mark selections as “favourite” for the future, exercisers can customise their workout experience based on what is important to them.

2. Over-moulded Handlebars

The over-moulded design adds comfort and durability while offering multiple riding positions and central heart rate contacts.

3. Seat adjustment and improved saddle design

The simple seat adjustment allows the exerciser to change the position of the seat with one hand, either on or off the bike.
